-- Lebanon.

-- Status and Prospects for National Reconciliation.  
DDI/NESA prepared talking points: prospects for an agreement are slim and radical Shias will continue to pursue their goals through violence.

-- Retaliation for the Attack on US Marines. You may wish to discuss Graham Fuller's memo which argues for US strikes against Iranian/Shia run facilities in the Bekaa valley. Fuller's memo (Tab D) was sent to Kemp (NSC), Murphy (State), Cossey (OJCS), and Tixier (OSD/ISA). DDI/NESA's memo on responsibility for the bombing is also included.

-- Security for Reagan's Far East Trip. Ken DeGraffenreid suggested that McFarlane may be interested in this topic. You might wish to brief McFarlane on OEA's memo expressing concern about the security condition in South Korea.

-- Fowler Bill. HPSCI may hold a closed hearing in November on Fowler's bill requiring advanced Congressional approval for any expenditures for covert action. You may wish to inform McFarlane that we have referred this issue to Chris Lehman (NSC) to develop an Administration strategy for such hearings.
